Old Business:

Coaches Choice Cards are selling well. Please turn your money in. If you have cards that you are unable to sell, please turn them back in to Mike Lencer ASAP, so he can pass them out to those Jr High players who have not received any, and to those who want more.

Mike Lencer passed out copies of the **NFL Raffle Tickets**; they will be printed and handed out to sell soon.

The first **T-shirt Order** was turned in by Kate Siegel on Aug 4th. See the Booster Web Site for order form and a sample of the design. There will be a second order sent in after Meet the Players Sept. 2nd. We set up a booth at the first home game to take orders; we will need volunteers to run this booth!

Pre-Game Meals: Kate Siegel is in charge of the pre-game meals, if you are able to assist in preparing, serving or making desserts please let Kate know.

Post-Game Meals: Wendy Greenawalt is in charge of post-game meals, if you are able to assist in preparing, serving, or making desserts please let Wendy know.

Student Spirit Ads:

If you want to place a Spirit Ad in the program this year, Marcy Hurst stated that Identity Studio has 5 templates to choose from. Or you may keep the one you had last year and just update the picture. Ads must be turned in and paid in full by Aug 25th. Any questions call Marcy at 797-2111.

Clothing Packages:

Mike had a sample of the fleece hoodie. It is black and yellow gold, the sweatpants will be black. The Running Suit samples will be shown to the players, to pick the style that they want. The running suit will be the same style for a few years, so you will not have to buy a new one every year unless you choose to do so. The package will be the same for both Jr High and Varsity.

New Business:

The video camera that was purchased last year is broken and sent back in to Sears for repair. It is still under warranty.

Motion #1, 8/3/09:

Benny Beichner will give us the wood for the Homecoming Bon Fire again this year; we need to give him a donation for the truck fuel. We gave \$25 last year. Motion made by Wendy Greenawalt and seconded by Marcy Hurst to give him \$25 again, all present were in favor none opposed.

Lycoming:

Motion #2, 8/3/09:

Motion was made by Missy Colwell and seconded by Joel Smith to give Jeremiah Leukers \$200 to go to Lycoming again this year. All present were in favor, none opposed.

Motion #3, 8/3/09:

Motion was made by Michelle Hepfl and seconded by Tammy Starcher to give Coach Nellis \$300 for Lycoming to take the players out for bowling and/or pizza. They go out every year, for one evening during camp. All present were in favor, none opposed.

Horse Thief Committee asked if the Football Boosters wanted to set up a booth. Food and T-Shirts sales were talked about, but the idea was tabled until next year, for lack of interested people to run it.

Meet the Players, Sept. 2nd. on the bleachers or in the gym depending on the weather, TBA. All Fall Activities will be recognized! Every football family is asked to bring a dessert and drop it off at the concession stand, or in the cafeteria, again depending on the weather.

Motion #4, 8/3/09:

We had a refrigerator in the concession stand quit working because the school told Stacy Thompson to unplug them. Stacy had called Lowe's and can get a new one for \$449, free delivery and free disposal of the old one. This cost would be split with the KMA. Joel Smith wanted to check with Commodore Homes to see if he could get a better price. Motion made by Michelle Hepfl and seconded by Marcy Hurst that the boosters will split the cost of the new refrigerator with the KMA. All present were in favor none opposed.

We need your help!

This will be Joni Smith's last year as treasurer. If you would be interested in the position for next year please let the one of the officers know. You could observe/assist Joni this year, so you would have an idea as to what is involved.

We will also need someone to order and purchase the food for the concession stand next year. This position may be filled from the Football Boosters or the KMA.

Bill Isburg has been a volunteer coach working with the quarterbacks and the running backs. Mike Lencer gave Bill a T-Shirt and a Coaches Choice Card for his time.

Next Meeting:

Monday August 24th 6PM on the Bleachers!

Motion to adjourn made by Kate Siegel and seconded by Missy Colwell, all present were in favor none opposed. Meeting adjourned at 7:15PM.

Respectfully submitted by Dotti Whitmer, Secretary.
