Introduction

The purpose of the athletic and extra-curricular programs in the Keystone School District is to promote the physical, mental, social, emotional and moral well being of the participants. It is hoped that athletics and other extra-curricular activities in our school will be a positive force in preparing youth for an enriching and vital role in American Life.

The athletic program and other extra-curricular activities are an important and integral part of the total school program and are open to participation by all students regardless of individual differences. Through voluntary participation, the athlete gives time, energy and loyalty to the program. He/She also accepts the training rules, regulations, and responsibilities, which are unique to an athletic program. In order for the team or group to be successful, athletes must assume many obligations not required of other Keystone High School students.

The Athletic Policy Handbook will be given to each Head Coach to serve as a guide to those needing information concerning athletic rules and regulations. This handbook should provide the foundation for the efficient organization and operation of our athletics and extra-curricular activities.

The Keystone Jr./Sr. High School is a member of District IX of the Pennsylvania Interscholastic Athletic Association. District IX includes member schools from Butler, Clarion, Clearfield, Elk, Forest, Jefferson, McKean, Potter and Venango Counties. Our athletic teams participate in the Keystone Shortway Athletic Conference (KSAC), with the exception of soccer and wrestling, which are part of a District IX league.

The following high schools represent the Keystone Shortway Athletic Conference: A-C Valley, Clarion, Clarion-Limestone, Cranberry, East Forest, Karns City, Keystone, Moniteau, North Clarion, Redbank, Rocky Grove, Union, Venango Catholic, and West Forest (Punxsutawney and Brookville for Football).
