The resulting $693,528 surplus is made up of two planned set-asides (PSERS--$279,817 and LTFS--$100,000) and an operational surplus of $313,711. The significant portion of the operational unplanned surplus is due to a Career Center refund of $237,430. He said that this sizeable refund is due to decreased enrollment at the Career Center by Keystone School District and the elimination of one class. After Board discussion,
DIALOGUE ITEMS (Continued)

  - Mr. Barrett said this will be discussed at the December 5, 2012 Work Session and voted on at the December 12, 2012 Business Meeting.

- Budget Transfers:
  - As in the past, Mr. Lauffer stated that this report moves around monies within the Budget to reflect the Actual results which Mr. Bonnar reviewed earlier. Mrs. Thompson requested a description of the function be added to this report.

- Committed Fund Balances:
  - Mr. Lauffer reviewed a 2-Page Report showing past practice for Retiree Medical Insurance and PC Leases as newly called "Assigned" as we formerly called "Designated."
  - A second report shows new guidelines that PSERS and LTFS must be shown as part of General Fund Balance, and these are "Committed" Fund Balances.
    1. PSERS: Offset to Increased Rates to occur soon.
    2. LTFS: Specific non-routine expenditures of equipment from Textbooks to Desks/Chairs to Driver's Education Car to Network Switches/Hubs to Lawn Tractors.

- Mr. Bonnar requested the Board to transfer the Unplanned Surplus from 2010-11 operations to various accounts. Examples were Capital Reserve and LTFS.

- Natural Gas leasing of District Properties:
  - The lease contained in the Packet details a proposal for our 50 acres @ $2,500 per acre for a total of $125,000 for a 5-year term. If the land is not utilized for drilling, they have option for a second 5-year term for another $2,500 for Marcellus and Utica layers with Tri-State Energy Holdings.
  - A shallow right lease is yet to come. Should be an additional $575 to $750 per acre.
  - They cannot dwell within 200 feet of a school building.
  - We have the right to refuse a well site, pipeline, or roadway as long as the withholding of permission is not unreasonable.
  - The lease contains a 15% gross royalty clause.
  - Tri-State has six months to decide, administrate, and pay. If not, the lease is null and void.
  - There is another group or two working on this same process, but no offers are on the table at this time, and there is no assurance that there ever will be.
  - If we want to exclude the "Surface Interruption" Clause, the reimbursement may fall to $1,250 per acre.
