☐ The State Auditors will be in the District Office starting for approximately 6 weeks.

PUBLIC COMMENT

☐ Mrs. Lynn Cotherman addressed the Board regarding her concern for her son having to walk a mile on back roads to meet the bus when he would be in 7th Grade next year. Mr. Slagle said the Board would be reviewing routes this summer and notifying parents of the results if a change is made.

REPORTS

☐ Chief Prugh of the Knox Borough Chief of Police introduced himself. He started as a COPS Officer. He said he wanted to extend the olive branch and open the lines of communication to the community inside and outside the Borough. He thanked the Board for the time to introduce himself.

☐ The Board discussed the guidelines of the Sick Day Bank which they approved in April of 2011. Mr. Slagle said that if a change is desired to the guidelines, a Board Director could add this Agenda Item during "Consideration of the Agenda".
REPORTS (Continued)

Mrs. Walters, Mrs. Schwab, Mrs. McCance, Mrs. Smith and Mrs. Heller all spoke and answered questions regarding the High School Math Curriculum and Instructional Techniques targeting specific achievement levels of students. Afterwards, Mr. Slagle thanked all for their contribution to the questions and discussions.

Mr. Slagle reviewed for the Board the status of Smoke Detection, Monitoring, and Notification within the District. He said that an upgrading of the infrastructure to detect smoke and dial "911" is in place. However, many smoke detectors will need to be purchased, and a cost for dialing 911 is being examined and a quote requested. More to follow next month.

Mr. Lauffer handed out a listing of all PC's within the District that are on the 4-year replacement cycle. The total is 558. Unfortunately, he reported that many are completing their 5th year of service in 2011-12, and if not replaced this summer, would commence their 6th year of operation. Mr. Dustin Swartfager requested additional information on Internet Bandwidth use and Capacity.

Mr. Lauffer reported that "On Demand", our electricity procurement agent, was advised us that now would be a good time to extend our current electricity procurement contract by 2 years.
