

November Athletic Council Meeting Minutes
November 8, 2022
Guidance Conference Room
Keystone Jr.-Sr. High School

Members present: Mr. Barrett, Mr. Slagle, Mr. Irwin, Mr. McCormick, Mr. Willison, Mr. Best, and Mrs. McNaughton

1. Letter of interest from Dalton Schultz for the Head Varsity Cheer/Competitive Cheer Coach.
2. Letter of interest from Chelsea Mong for the Assist Varsity Cheer/Competitive Cheer Coach and to fill in for a head coach if needed.
3. It was recommended to take Dalton Schultz name to the board to be retroactively hired as the Head Varsity Cheer/Competitive Cheer Coach and Chelsea Mong for the Assist Varsity Cheer/Competitive Cheer Coach. Chelsea Mong would act as head coach until Mr. Schultz returned from deployment; this would prevent a lapse in participation for the athletes.
4. A recommendation was made to accept a proposal from Marcia Rossman to act as security/medical consultant at 21 home Junior Varsity/Varsity basketball games at a fee of \$150 per event.
5. It was determined that the band and choir would attend the playoff game on Nov. 12, 2022, with transportation being paid for by district funds.
6. An update was given regarding our current search for an athletic trainer and what our plan was continuing to move forward.
7. Discussion of a fan bus going to the playoff game was held; the fan bus would not be a school sanctioned item. The fan bus is going to be paid and organized by an outside organization.
